Supplex® de Alta Compressão

90% Poliamida/ Polyamide, 10% Elastano/ Elastane

Alta Compressão

O Supplex

e seca mais rápido que o algodão. Alta Compressão é um conceito Pettenati, desenvolvido para melhorar a performance durante as atividades físicas.

Contribui também para o conforto, equilíbrio térmico, proteção da musculatura e possui elasticidade constante.

Pettenati

The Supplex® has a smooth, natural touch, does not shrink or deform and dries faster than cotton. High compression is a Pettenati concept, developed to improve the performance during the physical activities. Also contributes to the comfort, thermal equilibrium, muscle protection and has constant elasticity.
